

Andrew Zhen

I Completed Level 5

I'm a Lexia Superstar

Simple Word Chains

I can...change letters in words to make new words. Switching the /d/ in **dog** to /l/ makes **log**!

Medial Vowels

I can...find the middle vowel sound in consonant-vowel-consonant (CVC) words, like **mug** & **pat**.

Picture-Word Match 1

I can...read and understand consonant-vowel-consonant (CVC) words like **jam** & **log**.

Sight Words 2

I can...read common sight words, like **there**, **said** and **come**.

Sequencing 2

I can...put pictures in order to match a story and tell what the story is mainly about.

At Home

We can...read together! As we read, pick out CVC words and sight words for me to try.

If I get stuck on a CVC word, you can help me sound it out, one sound at a time.

When we finish reading, I can tell you what the story was mostly about.
